Farmers are preparing for wheat sowing.

The recent drouth was broken Sunday by refreshing rains, which caused the farmer's heart to swell with gratitude to the Giver of all Good, who sendeth the rain and sunshine alike upon the just and unjust.

Mrs. Martha Bryant and sister were the guests of Mr. G. W. Moore Saturday and Sunday.

Mrs. Amanda Moore, who has been visiting friends in Lexington, returned home Saturday.

Miss Hattie Goin, who has been very sick for several months, is, we are glad to say, recovering.

Madame Rumor says Dr. Demaree is soon to become a Benedict. Success to you, Doc.

Born, on August 28, 1893, to Mr. Robert Sudduth and wife, a son—Elwood.

August 29, 1893, to Prof. S. A. Hulett and wife, a son—Edwin.

There was quite a scene in Chapel Schoolhouse community last Sunday because the minister failed to preach according to the views of some of his hearers.

I am a jolly newsboy, and would you know my story? My age is uncertain, being between twelve and twenty. I would like to form the acquaintance of some pretty maid by the next leapear, as I think I will then be old enough to enjoy the bliss of wedded life. The maiden that I mean to get must be well stored with riches, with bright, blue eyes and golden locks, and be just sixteen.

NEWSBOY.

Among the incidents of childhood that stand out in bold relief, as our memory reverts to the days when we were young, none are more prominent than severe sickness. The young mother vividly remembers that it was Chamberlain's Cough Remedy cured her of croup, and in turn administers it to her own offspring and always with the best results. For sale by J. W. Gayle.

CIRCUS DAY IS NEAR.

Only a Few Days Before the Advent of Ringling Bros.' Shows.

The rapid approach of circus day gives an added interest to the many remarkable new features announced for Ringling Brothers' World's Greatest Shows, and as these famous circus managers have hitherto never failed to keep their promises, the public may confidently count upon witnessing an extraordinary exhibition of ethnologic, zoologic and arenic features. The troupe of Royal Japanese acrobats embraces twelve remarkable performers from Mikado's own company. The leaders are Tiokichi, Alsimota, Sankichi, Yan and a wonderfully clever Japanese woman, named Okeo. Their performance is marvelous beyond description. A troupe of genuine desert Arabs, who give a remarkable exhibition of agility and strength, is also a striking ethnologic feature. A grand ballet militant by a hundred superbly caparisoned horses is a novelty entirely new to the circus. A school of twenty Mexican horses go through a performance almost human in the trained intelligence exhibited. The Brothers Vernon give a wonderful performance on the flying trapeze. Charles W. Fish and the famous Reno Sisters exhibit the best features of modern equestrianism; the four Walton Brothers give an unequalled series of acrobatic feats; scores of other high-salaried performers add to the excellence of the programme; a giant giraffe, a bi-horned gnu, a mammoth hippopotamus and whole herds of elephants add interest to the zoological display, and a glittering street procession ushers in the event at 10 o'clock in the morning. Ringling Brothers' Colossal Shows will exhibit for two performances only at Frankfort Wednesday, Sept. 20.

The New South and the World's Fair.

No section of the country, East, North or West, is taking a greater interest in the World's Fair at present than that portion lying south of Mason and Dixon's line, and typical Southerners, easily distinguishable in the immense throng by the graceful military bearing of the gentlemen and the rare beauty of the ladies, are to be met in great numbers on the Exposition grounds, in the corridors of the leading hotels and at the various social gatherings in the World's Fair City.

To a large extent the success of the Fair depends upon the Southern people; the Board of Managers expect hundreds of thousands of people from South of the Ohio river to attend the Exposition, and from present indications they will not be disappointed. The railroads are making extensive preparations to take care of the people, and their comfort enroute is fully assured.

The Big Four Route, which is the only line making connection in Central Union Station, Cincinnati, with through trains of the E. T. V. & G., Queen & Crescent Route, Louisville & Nashville R. R., Kentucky Central Ry., and Chesapeake & Ohio Ry., naturally forms the popular outlet for Southern travel, and to accommodate the business five elegant vestibuled trains, with parlor cars, sleeping cars, dining cars and elegant coaches are run daily from Cincinnati to Chicago, stopping at Midway Plaisance, the Main Entrance to the World's Fair, 60th St., Hyde Park, 51st St., 39th St., 22d St., and running into the new 12th St. Station on the Lake Front. All the World's Fair hotels and boarding houses are located adjacent to the Big Four stations and passengers via the popular line avoid the long, tiresome transfer across the city necessary by all other lines from Cincinnati. There is positively no other line landing passengers at the stations named, and as it affords in addition to the comfort and convenience a great saving of time and expense, all the South who contemplate a trip to the World's Fair should be sure to ask for tickets via the Big Four Route.
